PAEM Executive-level Knowledge Sharing Event

February 2023

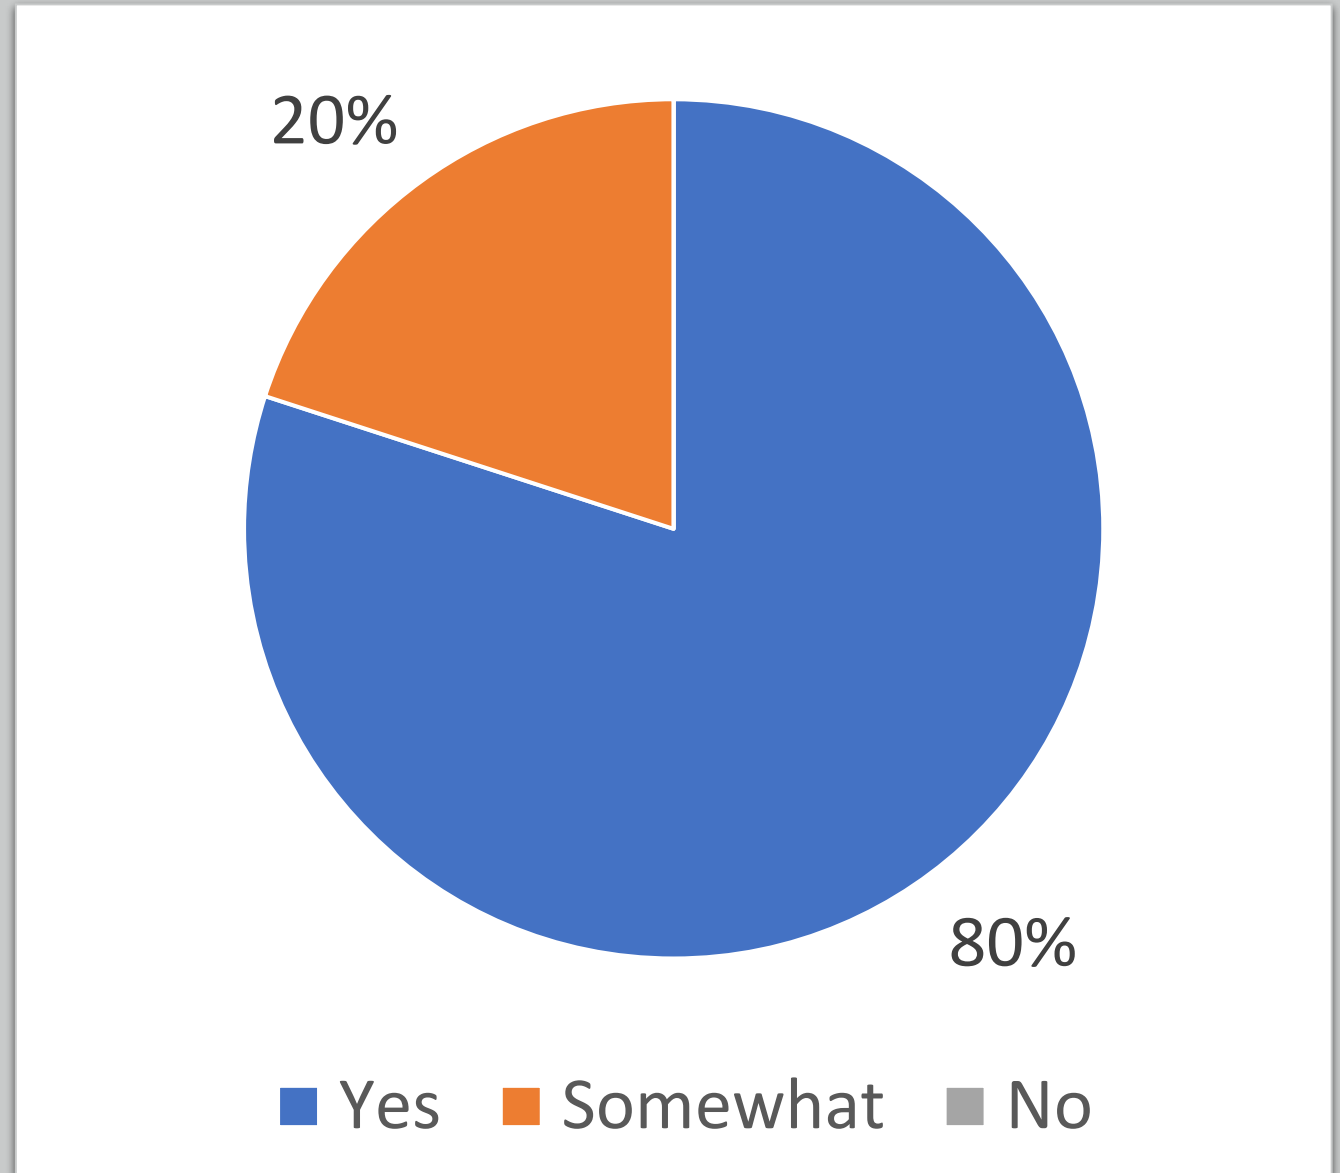

Q1: Was the agenda of the session well organized and easy to follow?

Total of 25 respondents

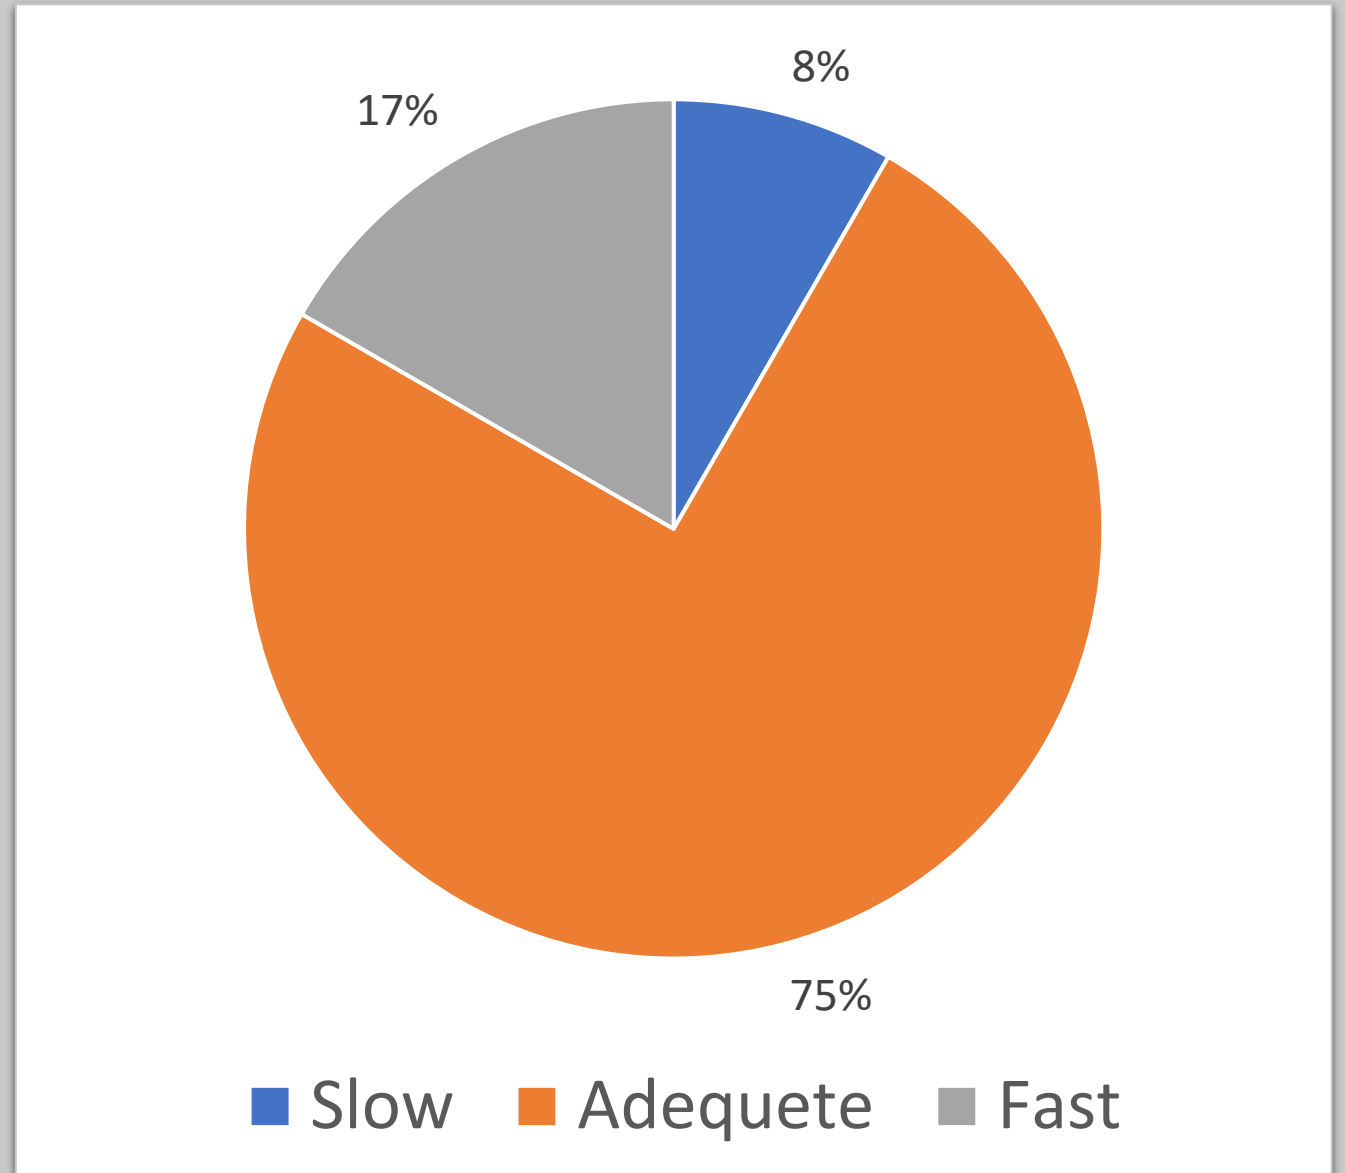

Q2: Did the presenters or instructors provide relevant examples during the training?

Total of 25 respondents

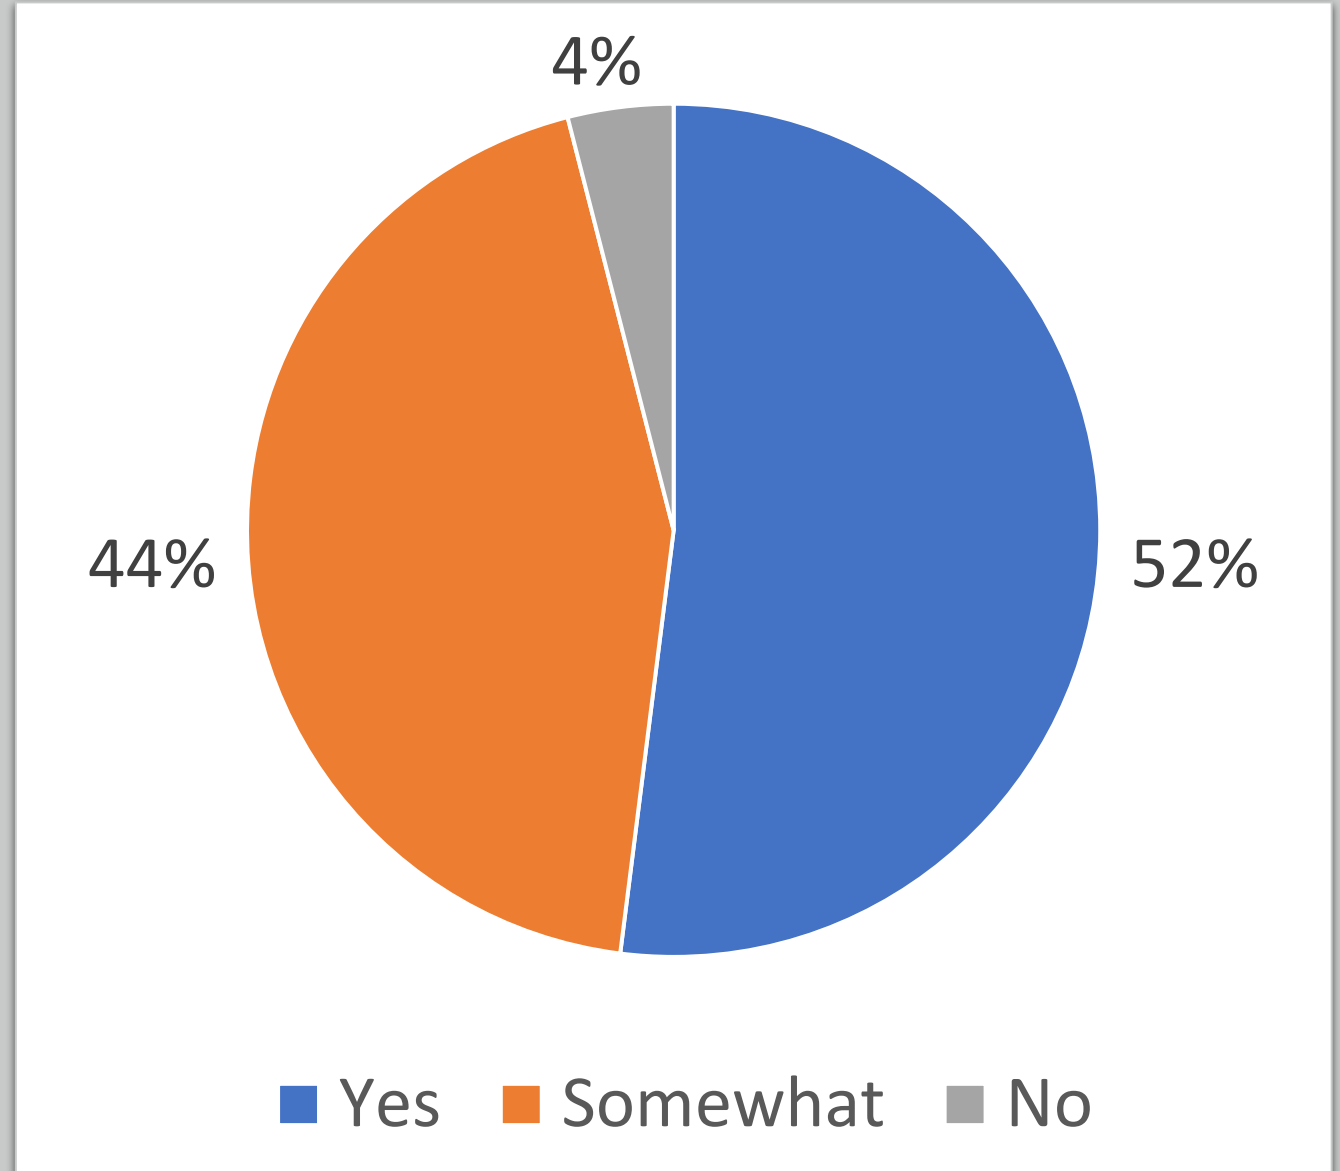

Q3: How would you describe the session pace?

Total of 24 respondents

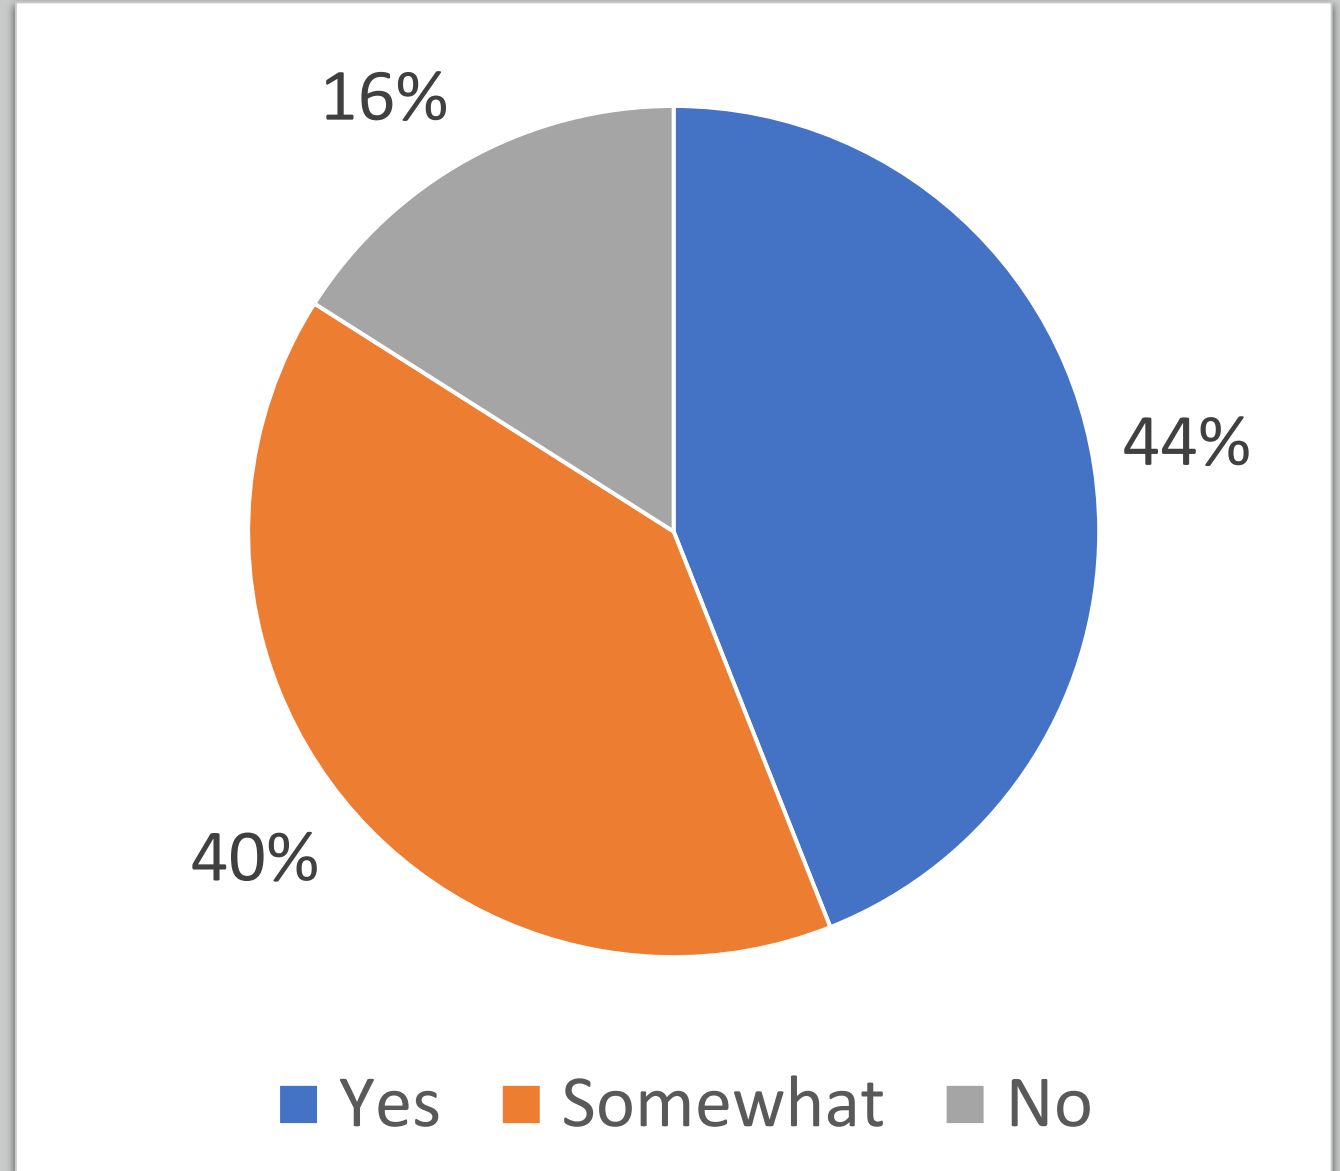

Q4: Was the session interactive enough?

Total of 25 respondents

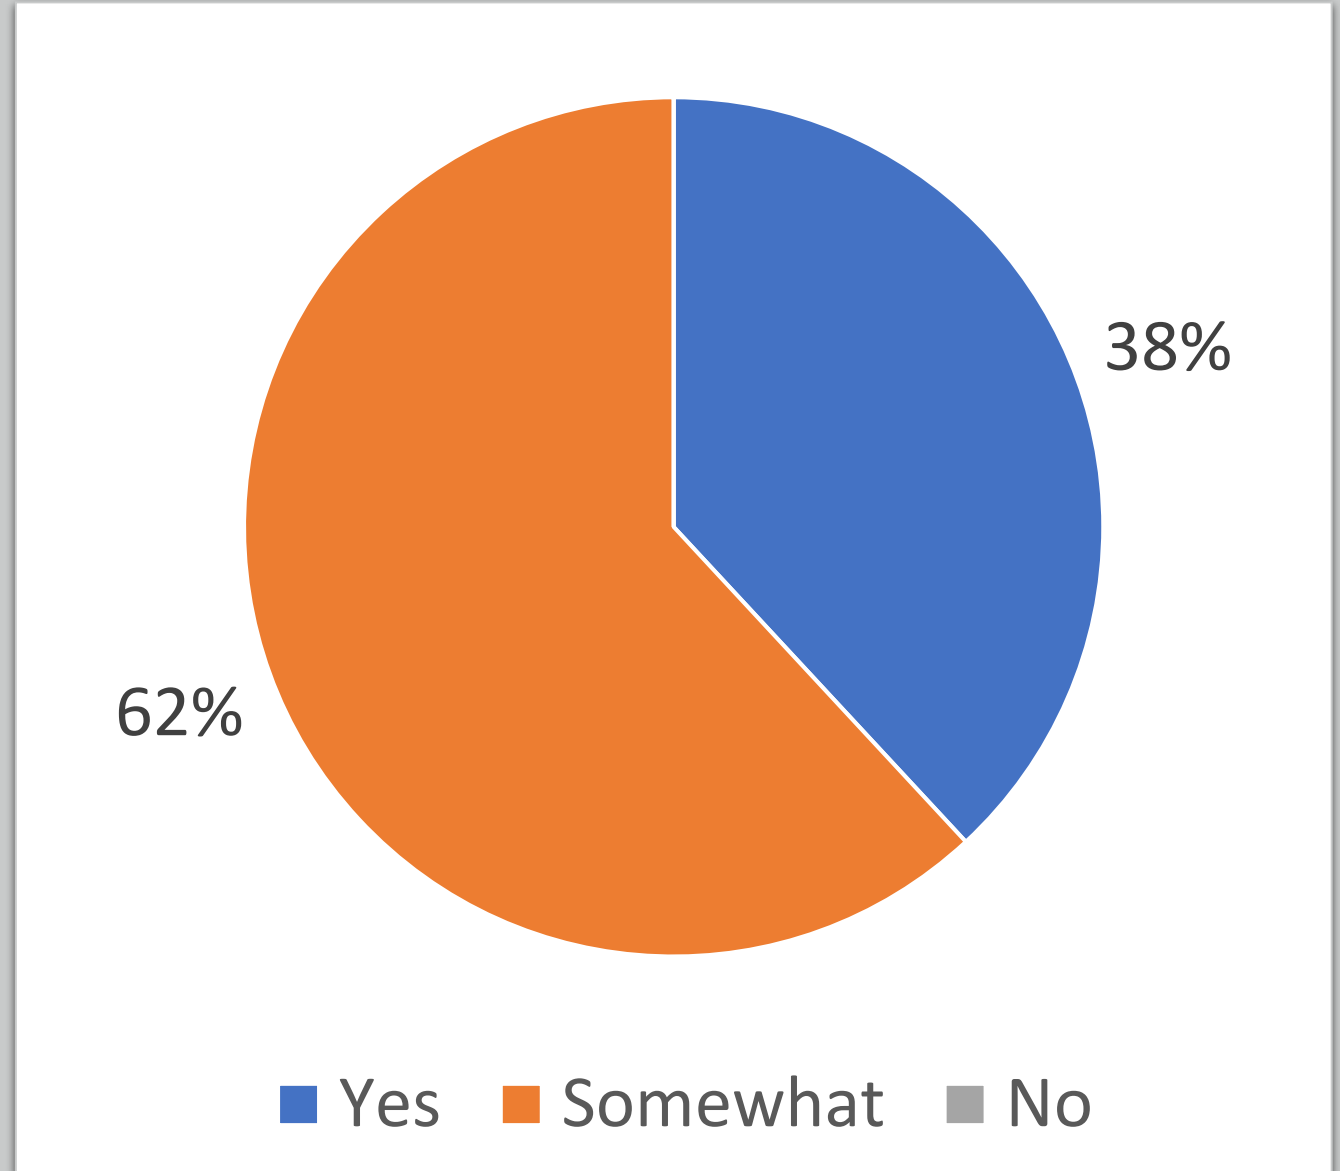

Q5: Did the session meet your expectations?

Total of 25 respondents

Q6: After the session, do you understand and feel comfortable handling your designated role at the PAEM regional committees?

Total of 21 respondents

Q7: What do you like the most about the sessions?

- Informative presentations
- Interactive open sessions
- Valuable knowledge shared between meeting participants
- Good knowledge provided on the role of the committees

Q8: What would you change about the session?

- To focus the discussion on preparation for the operation of the regional committees (list challenges, methodology, relation to working groups, etc.)
- To present and discuss more on the process of conducting trades
- Prefer longer discussion time and shorter presentations (<20 min. each)
- To include further technical examples other than governance aspects
- To elaborate more on the role of countries that are in need of power and assistance (Yemen, Palestine, Iraq, etc.)
- Share agenda and material for discussion well ahead of time
- Venue/room is not suitable in terms of size and setup

Q9: What other topics (not covered in this event) would you like to include in future sessions?

- Impact of gas prices on the market and other elements (e.g., the EU experience)
- How to move forward and establish working frameworks for the committees besides the bilateral agreements between MSs
- Detailed role & responsibilities of each committee with technical example of each

Thank you.
