Your Excellency chairman, Sheikh Mohammed bin Hamad bin Qassim Al Abdullah Al Thani
Minister of Commerce and Industry, Minister of Commerce and Industry,

Your Excellency, Ahmad Aboul Gheit Secretary-General of the League of Arab States,
Dear participants,

Assalamu Alaikum wa Rahmatullahi wa Barakatuhu

On behalf of the Kyrgyz delegation and myself, I extend a warm welcome to the participants of the ministerial meeting of the third session of the Arab Economic and Cooperation Forum with the countries of Central Asia and Azerbaijan, which is one of the major events in the history of regional cooperation between our countries. Allow me to express sincere gratitude to His Highness the Emir of Qatar, Tamim bin Hamad Al Thani, for his hospitality and warmth, which allow us to meet and discuss matters of enhancing cooperation in the fields of investment economy and trade.

I also express my gratitude to Sheikh Mohammed bin Abdulrahman Al Thani, Prime Minister and the Minister of Foreign Affairs of the State of Qatar and the Secretary-General of the League of Arab States, Ahmad Aboul Gheit, for efficient and fruitful work leading up to today's meeting.

The Kyrgyz Republic is eager to foster partnerships in various sectors. We believe that investing in our country holds immense potential. Currently, we are undertaking significant measures to create a favorable investment climate and liberalize our economy. One of our flagship projects is the construction of the China-Kyrgyzstan-Uzbekistan railway, which will serve as a vital trade route between Europe and Asia. Additionally, we plan to transform the Manas International Airport into an International Transcontinental Aviation Hub, connecting air routes across continents.

Kyrgyzstan is the hub of green energy investments! Nestled amidst breathtaking landscapes, Kyrgyzstan boasts abundant renewable resources ripe for

investment. From hydropower to solar and wind energy, our nation offers unparalleled opportunities for sustainable development.

These projects, along with others in energy, transportation, agriculture, and mining, present lucrative investment prospects. We invite members of the League of Arab States and all participants to actively engage in these endeavors. Your involvement will not only drive economic growth in our region but also foster mutually beneficial cooperation.

In conclusion, I express hope that this forum will pave the way for fruitful collaborations and tangible outcomes. I thank the State of Qatar and the League of Arab States for their support and wish everyone success and prosperity.
